

Power Consumption Over Time

Server power consumption
Solar power generation

Total energy consumed: 4146398 Watts
Total brown energy used: 3528110.66 Watts
Total solar energy used: 618287.34 Watts
Percent of green energy in total power consumption: 14.91% Watts
Percent of brown energy in total power consumption: 85.09% Watts
Total solar energy provided: 618287.34 Watts
Solar Utilization Rate(Solar_Use/Solar_provided): 100.00%
Total absolute difference (|blue line - yellow line|): 3528110.66 Watts
