

Power Consumption Over Time

Server power consumption
Solar power generation

Total energy consumed: 4146398 Watts
Total brown energy used: 2858238.54 Watts
Total solar energy used: 1288159.46 Watts
Percent of green energy in total power consumption: 31.07% Watts
Percent of brown energy in total power consumption: 68.93% Watts
Total solar energy provided: 2164005.69 Watts
Solar Utilization Rate(Solar_Use/Solar_provided): 59.53%
Total absolute difference (|blue line - yellow line|): 3734084.77 Watts
